Verbal Description

Elongated U Censer handle. No evidence of burning or exposure to heat. Top part is pitted & rough - this looks to be more from erosion than anything else. Underside is fairly smooth. The joiner piece is 7.5 cm long & 1.3 cm wide - this is rather large for a joiner piece - it veers to one side - doesn't look like it was placed in very well.

No paint, slip, or other decoration.
